ACTIVITIES COLUMN

Mystery Writer

Once again, our club participated in the annual 4th of July Parade in downtown Santa Barbara. There were miles of smiles as the group meandered down State Street to the turn-off point. The final destination was Frank & Barbara's home to enjoy a lunch of fried chicken, potato salad and other fixings. It's amazing how many vettes fit on their backyard lawn!

As you may know, we don't have an Activities Director at the moment but we do have activities planned through June, 2020. Please attend the August 6th General Meeting so that we can discuss runs for the remainder of this year and next year.

Member Highlight: Ursula Ruland

A very big congrats to Ursula Ruland, Ray Tracy's fiancé, who has just passed her exam for citizenship. Now it's confirmed that she is smarter than most of us. It took a lot of studying and stress but she passed with flying colors. Way to go Ursula!
